

***Huntertown Board of Directors Meeting
November 13, 2003***

Present: Cris Dillman, Nancy Prezbindowski, Paula Siddons, Deb O'Shaughnessy, Chuck Didion, Scott Myers, Nancy Jensen

Secretary Report: Minutes distributed from October's meeting and attendance taken.

President Report: Cris would like those who have not turned in their "job description" to please do so before the holidays.

Any requests for equipment etc., should be turned in ASAP so the items can be received before spring arrives.

The Coaches dinner was a success and Cris appreciates all involved in the program.

There will be no meeting in December due to the holidays.

Land is still one of the on-going issues. There have been quite a few churches offering their fields for soccer use, however they will not have a concession stand or restrooms. Huntertown soccer still has quite a few options and Cris is eagerly working on the best solution.

Committee Reports:

Director of Coaching:

Pat provided a handout of "Huntertown Soccer Clinics"

Registration:

Registrar's have been given our new copy of Logical Solutions software. This was provided by the IYSA for registration and may also be used for uniform inventory and game scheduling.

Fields:

Scott will provide Cris with a task description and any new equipment requests. The fields are all disassembled. There were some discussions about new fencing and dirt being brought in, in the spring.

Uniforms/Equipment:

Nothing needed done at this point. Spring may bring a need for inventory of uniforms as teams re-assemble. Cris expressed a need for a task description to keep on file.

Schedules:

No report

Communications:

No report. Cris did recommend we all take a look at the website. Note if there are any changes we need to make or add.

Volunteer:

Nancy Jensen is contacting Parkview Health Systems to see if they would be willing to donate FIRST AID kits for each coach's equipment bag. What a great idea!

Referee:

All referees are planning on returning, no new news.

NEXT MEETING: JANUARY 8, 2004 (WOW, did you catch that? 2004)
