## Minutes

### April 15<sup>th</sup> 2004 Board Meeting

Members present: Cris Dillman, Debbie O'Shaughnessy, Scott Myers  
Michelle Immoos, Rex Flenar, Nancy Prezbindowski  
Joe Cassucio

#### President's Report

New portable goals were purchased by the club for fields # 3 & #4. Also, fields # 3 & #4 are to be relocated on the baseball field. Hopefully this will allow the old locations to be maintained and rejuvenated. Numbers will be put on the new goals so that coaches and players will be able to identify the new areas. Hole(s) on field one were addressed. Cris attended the Huntertown Lions Club meeting and reported the following for our soccer program: Player numbers are up, reported that we are in good financial position, and introduced our soccer spirit wear. All referees are scheduled for our spring games. Discussed the protocol to be used by field marshals if a referee is a no show on game day. Discussed ways to improve communication between the board and the coaches and assistant coaches. Asked if Paula would be able to reserve the Huntertown School for the next board meeting on May 13<sup>th</sup>, and asked if she could also reserve the pavilion for the entire day of the last day of games, May 22<sup>nd</sup>. Anyone who has ideas for activities during the last day, please contact Cris. The board will need a player count by age so that we will order enough awards.

#### Vice President's Report

Sent out an e-mail asking for volunteers to field marshal the spring games. Will send out a completed schedule once all positions are filled.

#### Treasurer's Report

The financial statement was reviewed and approved by all present board members. Soccer Northeast made a profit on the Tide Cup and reimbursed our club ½ of our referee fees. This amounted to \$ 366.50. One sleeve of our spirit wear was sold to The Plex, and Ron James has signed on as a sponsor for the back of the spirit wear. Nancy Jensen dropped off a check from Parkview Hospital for \$ 375.00. She was able to secure the funds from Parkview to purchase first aid kits for each soccer team.

### Uniform Committee

Rex asked for opinions on the uniforms that were purchased for this season. He has a few extra uniforms left over from fall.

### Communication Committee

Need to find someone interested in maintaining our website, or possibly assist Joe Hyndman with this effort. The spring schedules should now be updated on our website.

### Registration Committee

Two new U-6 teams were formed for spring. Will need volunteers to help with registration during the last two games. Joe and Michelle are working on the registration form for the upcoming fall season. Looking at tentative dates for fall games with the first game starting on September 11<sup>th</sup>.

### Fields Committee

The fields have been lined. Scott will check them Friday morning. Looking for a volunteer to chair this committee for fall 2004.

### Volunteer Committee

Need to find a chairperson for fall 2004.

The next meeting will be May 13<sup>th</sup>, 6:30 at the Huntertown Elementary School.

Respectfully submitted,

Debra O'Shaughnessy
